

Sidney Public Library

Summer Library Camp

School will soon be out for the summer, which means there'll be plenty of time for other activities. Kids K-6 are invited to join us for fun at the Sidney Public Library. We've lined up fascinating activities, crafts, and story times that reflect the theme of creativity, cooperation, growth, and games.

Throughout the month of June, the Sidney Public Library will have undirected activities (scavenger hunts, coloring, crafts, games) for all ages during regular library hours.

The Summer Library Camp will be in the second week of July. All Kids who will be in kindergarten through 6th grade are welcome.
